SUPPLEMENTAL REISSUE DECLARATION*attach
to paper #27*

As the below-named inventor of the subject matter of U.S. Patent No. 5,721,449, entitled Cam Operated Inverter Bypass Safety Switch, for which a reissue patent is sought, I hereby declare that:

Every error in the patent which was corrected in the present reissue application, and is not covered by a prior declaration submitted with this application, including all errors which are being corrected in the reissue application up to the time of filing of the declaration, arose without any deceptive intention on the part of the applicant.

All statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
